

Rechargable Battery 2-p Accessories

Art nr: 1001657

Previous art. nr: BAT102

2-pack batteries for the VisorFlex headlamp, perfect to have as a spare when you need to quickly replace the battery in the headlamp for continued use. They can be charged directly in the headlamp's charging port or in Guardio's external battery charger, which can charge up to 4 batteries simultaneously.
