

Battery Charger incl 4 p Accessories

Art nr: 1001659

Previous art. nr: BAT101

An automatic smart charger that is compatible with nearly all battery types. It features four independent charging channels that recognize the battery type, adjust the charging voltage, and terminate the charging process when the battery is fully charged. Batteries of different types can be charged simultaneously. Four 18650 batteries with a capacity of 3350mAh are included.
