Harness for SR 500 EX

Model No.
SR 552 EX

Ordering No.
T06-2002

Product Description

SR 552 EX harness is an accessory for the SR 500 EX fan unit. The harness increases the number of task options available and retains the comfort factor associated with SR 500 EX.

The fan unit can be worn in the lower back or between the shoulder blades. The plate on the back has 3 size adjustments.

The SR 552 EX harness is approved, together with SR 500 EX, for use in potentially explosive environments.
